# Positronium intensity measurement preparation (GBAR)

SNU

Bongho Kim

Help to test MCP

Laszlo

- Laszlo and Barbara work to test MCP

- I help to install MCP (in clean room) and to test dark count

Presentation in Collaboration meeting

- Title : GBAR simulation frame work
- Goal :1% systematic error
- To manage several parameters and informations
    →Fringe field, detector geometry, etc.
- Share the information
